DEPUTY CLERK

Im sending this to be filed in  
records thank you

Suth Adams

First and foremost I open this missive with hopes that it finds you in the best of spirits and health!

Due to covid 19 procedures the jail will not allow me to visit the library where the hard drive to my discovery is being held which deprives me from an adequate defense under the equal protection principles an indigent defendant must be provided with the basic tools of an adequate defense.

This obligation includes a transcript of prior proceedings when that transcript is needed for an effective defense. (Britt v North Carolina) and (Gioglio v United States)

Moreover, I respectfully request an evidentiary hearing pursuant to (Franks v Delaware) and an suppression hearing. I've been trying to contact you so that we can go over these things but you haven't been available. I've sent an certified copy of this letter to the US Clerks office to be filed. If you can please get on top of this matter I would greatly appreciate it.

Thank you

Seth Adams

I respectfully request  
The transcripts to my bond  
hearing so that I can go over  
the testimony of TFO Ryan Sloan  
and TFO Joe Crowder for purposes  
of perjury impeachment and  
cross-examination. Thank you
